

green zap overview

The future of money. It's zapping.

I. BuZiness Summary

Introducing GreenZap.

The fun, fast, simple way for people to spend, send, receive, do just about anything with money, online. GreenZap can be used to purchase goods on E-bay, Yahoo, Craig's list, I-Tunes or any number of other consumer-driven sales sites. GreenZap can also be used to simply zap green to a friend electronically, or have green quickly zapped to you.

GreenZap is set up to capture a large percentage of the existing online spending community. It's for anyone including all of the frustrated online spenders who, for the first time, have a legitimate alternative to turn to when it comes to owning an online spending account.

Everyone will be opening a GreenZap account. It's FREE and once they do, they'll be rewarded with \$25 in their account, just for signing up.

Let the zapping begin!

III. Account TypeZ and RewardZ

GreenZap will reward YOU for anyone and everyone who opens a GreenZap account. That means you'll start earning additional money in your account every time someone signs up that you referred. Your rewardZ are awarded differently pending on which GreenZap account you open.

GreenZap Account:

Open up a GreenZap account and receive \$25 in your account just for signing up. As a GreenZapper, you will be rewarded with \$5 for personally referring other GreenZappers! The more people who sign up because of you, the more money you'll discover in your account.

GreenZap Gold Account:

Members can become 'GreenZap Gold' members by transferring or adding \$100 to their account. With a 'GreenZap Gold' account you will continue to receive \$5 for every GreenZap account holder you personally refer. PLUS, you will now earn \$20 from everyone you personally refer who also upgrades to a 'GreenZap Gold' account. This includes receiving \$10 to \$30 in your account every time someone who stems from you signs up. 'GreenZap Gold' members can also receive a GreenZap MasterCard® that links directly into their 'GreenZap Gold' account which can be used anywhere offline!

Community REWARDZ

Help us expand the GreenZap community and we'll Zap you some major Green.

Have five of your friends upgrade to a 'GreenZap Gold' account and you'll receive an additional \$5 on every single person in your community.

If twenty upgrade, you'll receive \$20 – and if thirty of your friends make the move to a 'GreenZap Gold' account because of you, you'll receive an additional \$30 on every single person in your community.

5 greenzap gold referrals = \$5 for every member in your community.

10 greenzap gold referrals = \$10 for every member in your community.

20 greenzap gold referrals = \$20 for every member in your community.
